

Portarlington

Clemens Wendtner

Portarlington:

Croatians in Australia Ilija Šutalo, 2004 Ilija Šutalo has given us a detailed and fascinating insight into Croatian settlers from the 1800s to the present the likes of which has never before been attempted Yet Croatians have been here for 150 years and by the 1930s were well organised and conscious of their heritage A people without whom Australia could not have developed and grown *Registers of the French Church of Portarlington, Ireland* Portarlington (Ireland). Église française, Portarlington, Ire. Église française, 1908 [The Huguenot Settlements in Ireland](#) Grace Lawless Lee, 2009-08 This award winning book is the definitive account of the principal Huguenot family settlements in Ireland Mrs Lee's objective in writing this book was to demonstrate the French Protestant contribution to the history of Ireland and in particular the Huguenot influence in trade the professions and Irish social life In the process of describing in successive chapters the Huguenot presence in the city of Cork Cork County Waterford and Wexford Carlow Portarlington western Ireland and Dublin she furnishes specific biographical and genealogical details concerning the more successful Huguenot families who settled in those localities in the wake of the revocation of the Edict of Nantes in 1685 The book is also sprinkled with lists of Huguenot ministers churches with their dates of founding apprentices students and so on At the conclusion of the work the reader will find a bibliography and a very serviceable index to surnames and subjects and at the outset a map of the Huguenot settlements throughout Ireland [The Complete Guide to the Great Ocean Road](#) Richard Everist, 2009 The Great Ocean Road region the southwest coastline of Victoria is simply extraordinary This book unlocks the sights activities and background context for visitors and locals using maps pictures and words It is for everyone who is interested in exploring and learning about the region from Geelong to Portland Sustainability depends first on knowledge second on discerning customers and communities and third on responsible businesses This book features a number of businesses that are responding to the challenge and details on hundreds of accessible sights maps and information on over fifty sustainable activities including beach and surf guides walking track notes national parks and reserves and over fifty cities towns and villages with more than sixty heritage sites fascinating background context including environmental issues Aboriginal and European heritage geology ecosystems flora and fauna **The Rough Guide to Ireland** Margaret Greenwood, Mark Connolly, 2003 Including detailed guidance to exploring the countryside and historic sites this fully revised guide offers a complete picture of the beautiful island of Ireland north and south of color photos **Dublin and Portarlington veterans** Huguenot Society of London, 1946 **War, Religion and Service** Matthew Glozier, David Onnekink, 2017-05-15 During the Glorious Revolution of 1688 Huguenot soldiers were at the forefront of William of Orange's army Their role was an important one and they are with justification best remembered for this act among British historians and the public alike Yet Huguenot soldiering existed long before this event and French Protestants and their descendants featured prominently in European armies long afterwards This volume is the first attempt to bring together in a scholarly study essays treating the Huguenots

as soldiers in Europe and globally Their story is often fascinating and sometimes poignant as they aided international Protestantism against Catholic foes across Europe and in the New World while remaining under the cross in their homeland of France The book is divided into three sections the first analysing the period prior to the 1685 Revocation of the Edict of Nantes which sealed their fate in France Their role as mercenaries and freedom fighters receives attention as does the complex political motivation that underscored their involvements abroad in the pre Revocation era Chapters examine the Huguenot rationale for foreign service and the dynamics of the Protestant international of which they were such a prominent part Their role in European armies after that date is covered in the second section of the volume with a number of expert studies of Huguenot refugees in the armies of Britain the Netherlands and Russia A third section treats the Huguenot legacy focusing on the aging generation of refugees and their descendants contributions to the countries of their adoption This book contains studies of the Huguenots serving in armies in various countries and examines the lives and actions of a number of individual French refugee commanders who led armies consisting of their compatriots By combining biographical studies of eminent figures with broader considerations of group experience the volume presents a wide ranging and thought provoking collection of material making this the first study of its kind to consistently treat the military contribution made by the Huguenots to Europe at the high point of their importance as a historical group
